Friendly words from new President

It is a great honour to take on the Presidents role of Clifton Beach Surf Life Saving Club, a place with a great history and an even brighter future. I would like to commend the previous committee, led by Craig Rogerson, on doing such a mighty job steering the ship through some difficult times; my hope is that the new committee can continue this great work and guide the club through the next important phase of its story.

The Committee for the next season consists of:

Anthony Chapman – president

Simon Bailey – Club Captain

Scott Cason – Treasurer

Nicole Davey – Secretary

Matt Clingeffer – General Committee

Katie Groom – General Committee

Thanks for these people for putting their hands up and committing to the Club in such a way, and I am sure that their expertise will lead the club in a great direction.

A big thanks also to those who have agreed to help the club in a number of different ways. We are still looking for some other roles to be filled, and it is so important that we share the load to make sure the club runs as efficiently as it can. So, please let us know if you can assist with the following:

- **Transitions Officer** – to make sure our Juniors connect as cadets and senior members
- **Clubhouse Officer** – to look after bookings of the clubhouse and making sure that maintenance and cleaning is organised.
- **Fundraising and Sponsorship** – to liaise with our sponsors, secure new sponsorship and to optimise our fundraising
- **Bar support** - to assist our bar manager in keeping the bar stocked and getting volunteers to help with the bar
- **Social Co-ordinator** – to organise the events that bring us all together.

Finally, a big congratulations to all those who were nominated at the Surf Life Saving Tasmania Awards of Excellence. It was a great evening and a fine recognition of all the work that has been put in over the last 12 months.

Thanks

Chappy

Nipper News

Pool Rescue Competition by Millie Groom

On Saturday the 7th of August, some of our most enthusiastic nippers competed at the Pool Rescue Competition in Launceston.

Even with less of a variety of events, we still managed to have lots of fun and some great results!

Some events that we competed in were a swim with fins, a swim with a rescue tube, a manikin tow, and some fun relays to finish the day off.

It was great that at the competition, the organizers took time to show us how the races worked, and we even got some tips from people who had competed at high levels. They catered for people with all different abilities and made sure everyone understood before they kept going!

After a great afternoon of racing, we headed to the Pizza Pub, where we all ate way too much pizza!

Taking the bus up was a great way to get the team together on our way to and from the competition.

The next one is scheduled for the 18th of September, with some new and exciting events. We hope to see more of you come and have a go!

Maybe some of these Mums will do the relay on the 18th September!!!! - Ed
