ANNUAL REPORT 2022/23

CLIFTON BEACH SLSC

SERVING THE COMMUNITY SINCE 1963

WHO WE ARE

Clifton Beach Surf Life Saving Club is Australia's southern most surf life saving club and the proud home of Cliffy the Polar Bear. Founded in 1963, Clifton Beach Surf Life Saving Club is a key central hub for its members and surrounding communities.

Our volunteer run organisation is affiliated with Surf Life Saving Tasmania and provides lifesaving patrol services throughout the summer months, as well as maintaining our 24/7 Emergency Response Team that provides frontline support to other external agencies in times of need. In addition to our lifesaving services, we also run a successful nippers program and regular community events at the Club.We have been awarded Tasmania Premier Club of the Year 1990/91, 1993/94, 1998/99, 2006/07, 2008/09, 2020/21

WHO WE ARE

Clifton Beach SLSC is a unique, multidimensional club with a diverse scope of operational elements incorporating the following activities:

- Community Safety
- Health and Fitness
- Community Education and Member Training

Secretary's Declaration

Dear Members and Supporters,

I welcome you to our 2023 Annual General Meeting.

Firstly, thank you for joining us and I want to say a massive thank you for all your efforts during this season. I now present the Annual Report for adoption at our meeting today detailing the activities that took place under the control of the current committee this year.

There is formal information and audited financial figures shared and documented along with many milestones and great achievements of individuals and teams. Our treasurer, Mr Scott Cason, has ensured that our accounts are reliable and up to date. Our Club is running smoothly with the Xero accounting platform this season. The management committee had a total of 11 meetings throughout the season and all meeting minutes are documented and available digitally on our shared drive for review.

For those who added many more countless volunteer hours behind the computer keyboard supporting this year's Annual Report to be more zesty with your words and photos - thank you. I sincerely hope this provides a tangible keepsake to reflect on the many experiences for our valuable members from the 22/23 season and the difference each of you made.

For those who continue to give your time so graciously, I hope these volunteering experiences continue to give you so much more joy and fulfillment in return. We appreciate you and our club needs you.

Club Patron

Julie Collins MP

Clifton Beach SLSC would like to thank Julie Collins MP, for her continued support of the Club over many years in her role as Club Patron.

Craig joined Clifton Beach Surf Lifesaving Club when his kids, Georgia and James, began hitting the waves. He has held many roles within this time, from Nippers Coordinator to Club President. Craig has taken development squads to the mainland, as well as Aussies and boat competitions. He has been integral in working with Variety the Children's Charity, City to Casino, buttons days and triathlons. Craig has competed for Masters, been an official and has been patrolling for over 20 years! We all congratulate Craig for his service to Clifton Beach Surf Lifesaving Club! Thank you Rogo!

Awards and Achievements

We welcome our Life Member 2023 - Mr Craig Rogerson

Club Awards/Committee Member

Club Award: Best Clubman Award 2005/06 & 2007/2008
Junior Activities Co-ordinator: 2006/07, 2007/08, 2008/09
President: 2018/19, 2019/20, 2020/21

SLST – Volunteering

Chairman of the Surf Sports Committee
Manager & Assistant Manager of State Teams & Southern States teams.
Lifeguarding at the Falls Festival
Towing the State trailer to and from the Interstates and Manly-Freshwater Carnivals.

Candid memories sharing from Rogo

How did you become involved in our club?

Early days i.e., before my Bronze in 2003 (I think), Janet and I brought the kids down in 2001/2002 season. James was 9 & Georga 7. I sat on the sand for a couple of weeks then met some other parents, Dale Cleary (RIP) and Sandy McManus.
Ended up in the water as a post. Helping on nipper days.
With James being in Under 10's - Vicki Geard was the Age Manager, so we got to know Vicki & Robin well. Janet became the Under 8's Age Manager and I was cast on as a coat, goggles, and towel carrier at the carnivals. I have always loved the water, I started swimming again so I could get my bronze in 2002/2003 season going through with Matt Kendall amongst others.

How about sharing best moments ?
One favourite memory was at the Junior State Titles up north in 2001/2002 and James being cheered on by the Geards, Sue Saunders & the Bevilacqua's in the U10's Surf and teams.
James passed two swimmers in front of him running up the beach to come 23rd. Richard, Matt & Ned had come 1st, 2nd & 3rd (or something like that.) Later, it was explained to him that they had won a gold medal in the Surf & Teams and how they decided the medals. It would have been silver if not for him fast running up the beach.

I was hooked.

"Watching James & Georga grow in confidence in the water along with all their nipper friends was fantastic to witness and to see the smiles on their faces after catching the wave of the day." Georga was a bit nervous in the surf like most nippers starting out, so we taught her to scream at the waves as she was paddling out and it worked. Both won numerous medals in their nipper years, and they were both rewarded by being selected in State teams & Southern State teams. The individual medals were great whether it was flags or beach sprints for James or Iron Person, swims, or board for Georga but being part of a team win for Clifton was always the highlight.

The Clifton state team – went to Middleton SA 2007

Taking on the Junior Coaches Role in 2005 and then the Junior Activities Co-ordinator in 2006 kept me busy organising winter training at Lauderdale, whether in the canal or paddling to and from Bambra Reef and attending all carnivals and towing the nipper trailer during that period.

After a patrol day on a Sunday in early 2006 I went to Jarvo's shed dressed in my Red & Yellows where we had our Sunday sessions raising some money for Variety the Children's Charity. At the shed that day was Paul Soldatenko who relived his time as a Clifton Boatie. By the time we left that afternoon the Clifton Boaties had reformed which brought in another 20-ish clubbies to help patrol the beach. The Clifton Boaties had a formidable crew during this time with many trips to the ASRL finals & the Aussies. A couple of memories from that time was Zoe Artley capturing a photo of a seal in the Burnie Surf Boat at Scamander and officiating with Barney Reardon & Mel Bush on the finish line at Stockton when all six Open Male crews finished on the same wave in the Final.

Rowing in the Pollie Surf Boat Challenge with Gabe and Will Hodgman

Setting up for Clifton Carnivals with the crew brings back many memories. Simon Kay in the water or on the beach directing traffic. Pete Williams in the water with the cans. Iain Whyte sorting out the water or the sewerage system. Scotty on the tractor. Barney on his digger, Big G with the sound system,Denise & Ron Kelly organising most other things with help from everyone. then the pack up and the debrief.

Nipper Xmas BBQ with Santa sweeping in the elves.

Being on the Iain Whyte Patrol over the last dozen years with the family, James till 4 years ago and Luke & Georga, apart from last year when grandson number two came along, will always be special.
I cannot wait until the next generation are old enough to join the nippers.

I always tried to encourage friends from my other friendship groups to bring their families along so it is great to see an ex-Clarence cricketer Matt Clingeleffer come to Clifton with Megs and the girls. It was with immense pleasure that I introduced Clinger to Denise. He was competing in the Masters by seasons end. Running the Clifton Beach Golf days from 2003 to 2011 with great assistance from Mick Farrelly & Denise, organising Buttons days with Mick and the Xmas pageant in the Yellow Kombi with Georga and friends on the roof seat singing the club song.

It was a great honour to be asked by life members Barney Reardon & Mark Godfrey (RIP) to take over the Presidents role in 2018 a role which, while challenging was very rewarding. I certainly enjoyed my time at the top but would thank all members and committee members for making my job run smoothly especially Anthony Chapman for taking on the role.

President's Report

Clifton Beach SLSC has enjoyed a hugely successful season, with a number of highlights across many different programs. The Club has seen great success in competition, has conducted programs of the highest quality, and has continued its goal of redeveloping our building assets to meet the needs of our membership.

Clifton Beach SLSC once again ran a successful Open Day to kick off the season. It was well attended and led to us forming new relationships with different organisations. A highlight of this seasons Open Day was the opportunity to allow one of our physically disabled visitors to enter the water and renew his love of surfing. It highlighted the need for our club to continually look for ways to make the beach an accessible place for all those who want to enjoy it.

The Club has had an increase in members when measured against the previous season, and we continue to enjoy strong numbers in our Nipper program and with our patrolling members. We enjoyed an increase in volunteers who patrolled on the beach this season, with a good mix of new and returning life savers. We conducted a bumper Bronze/SRC course which saw over 30 members attain and upgrade their awards. These new awardees were well trained by a team led by Jenna Stacey, ably assisted by Ned Reardon, Ciaran McDonald and Simon Bailey. It allowed us to strengthen the numbers in each patrol group and improve the level of safety we were able to have on the beach. Other new members got involved in lots of other areas of the club, and I would like to acknowledge them in the way that they have value added to all that we do, whether that be assisting with water safety, serving at the bar or volunteering in the canteen. On that note, I would like to thank Tara Kelly and Katie Groom for their role as Canteen Coordinators over the season.

President's Report

Highlights

- Life membership for Craig Rogerson for years of dedicated service
- Clifton Beach winning a number of awards at the SLST Awards of Excellence
- Jenna Stacey being awarded the SLST Youth Life Saver of the Year
- Shelly Bailey and Tara Kelly being awarded our Volunteer of the Year
- The Club hosting a hugely successful Hydrothon Program
- Once again conducting a demonstration program at the Sandy Bay Regatta
- The hosting of a Statewide Carnival weekend
- A successful trip to Sydney for our Competition Team
- A win for our Male Boat Crew, the Clifton Crabbers, in the Mercury Surf Safari.
- The hosting of the Women in Waves Day
- The hosting of a Starfish Nippers Program

Of course, a major highlight of the year was the performance of our competition teams, culminating in Clifton winning the Junior and Senior State Titles, and the handicap divisions in both competitions. This is unprecedented in SLST history, and is the result of a number of years of hard work and dedication by hundreds of people around the club. A big thanks to all our coaches, led by Courtney Dowling and Shayne Clark, to the managers and logistic people, and to all the athletes and their families whose commitment led to such outstanding results.

I would like to thank all of our sponsors and supporters for their assistance once again this season. We receive great support from Federal and State Governments, Clarence City Council, Surf Life Saving Tasmania and all their sponsors, and to our own sponsors including Silver Spoon Tasmanian Icecreams, Safety Circle, Millingtons, Westbar, Harbour Financial Planning, and Ride Bellerive. This has enabled us to continue to provide great service to our members and the wider community. We look forward to more sponsors coming on board this season as we continue to develop a club that more and more people can access.

The Club has a new boat shed, a sorely needed piece of infrastructure to not only house our surf boats but also allow us to store equipment that used to be in the container. A big thanks to everyone who supported the project and assisted with the installation, and to Simon Bailey for overseeing the project.

The committee has worked tirelessly over the course of the season to make sure the club is moving forward and offering our members the best opportunities. There is much work to do in this area as the requirements around governance continue to evolve, but please be assured that the committee is working towards achieving the best outcomes for the club. Thanks to Nicole Davey for her work this year as she steps down. Nicole will still be assisting the club wherever she can and will continue to be there to support her nippers as they dominate the water! Nicole has done a power of work in the area of governance and has been able to allow us to tighten up a number of our processes. Thank you as well to Katie Groom for her service to the committee, especially in the areas of fundraising and canteen. She has been an effective and dynamic member of the team, who will also be continuing to assist around the club.

As we move forward into the next season, the club enjoys a strong position, yet with plenty of work still to do. We need to maintain a strong membership list, encourage the attainment of awards, get our governance structures further developed for the betterment of future committees, and continue to build relationships within the broader community so that we have plenty of support in achieving our goals. I am confident that, with everyone pushing in the right direction, that we will be able to achieve great things in coming years.

Anthony Chapman

President

Club Captain's Report

Well, another great season has passed by, and it was great to have so many members contribute to the running of the club and to the core role of beach patrols. Again, we were able to provide a safe and secure beach for members of the public to enjoy during the summer months. I recently learnt that in 2009 Clifton Beach was classed in the top 5 drowning black spots in Australia. Whilst it is sad to think that people have lost their lives at our beautiful beach it is a timely reminder about how things can go terribly wrong. The Clubs core focus of life preservation, through the training and mentoring of our members, are on display to all who visit our beach and is a great testament to the trainers, patrol captains and mentors that we consistently get great praise from the community.

We recorded just under 8000 beach users over this summer during our patrol hours (9 am and 2 pm each Weekend and public holiday from December through to the end of March). Tasmanian Parks and Wildlife noted that Clifton Beach is the most visited beach in Tasmania, so it is essential that we provide well-resourced and trained patrols.

Throughout the season we were able to meet our life saving commitments, with patrol members logging almost 3500 volunteer hours on the beach over the season. This figure can be easily doubled when you consider the training and associated tasks members perform before even setting foot on the beach.

A huge thank you to Jenna Stacey for arranging and facilitating training to keep accreditations up to date and encouraging new patrolling members. To undertake this role whilst completing her university study takes a lot of commitment so we are very lucky to have Jenna making herself available for next season. Training was further supported by Ciaran McDonald, Anthony Chapman, Ned Reardon, Abbey Fairbrother and myself. Simon Kay provided further support with training and assessment of members and this year marks the 40th year that Simon has completed the tasks as a trainer with the Club, which is a massive achievement. As we move forward this season, we will be looking to mentor more members to undertake their training certificates to help deliver programs to members. Jenna has the planning underway with IRB drivers' course to be offered soon and further training dates provided as the new season approaches.

Listed below are the top 10 members by patrol hours

.

Ciaran McDonald 78 hrs
Simon Bailey 73 hrs
Matt Clingeleffer 59.5 hrs
Ned Reardon 59.56 hrs
Ian Whyte 57.5
Tony Van Den Eden 57
Natalie Elischer 48 hrs
Jordan Bromfield 45.5
Charlotte Elischer 41
Meisha Austin 37

thank you!

The following members also received their service awards, and we thank them for their continual service provided to the club and surf lifesaving in general.

5 Year National Patrol Service Award
Simon Bailey

45 National Patrol Service Award
Simon Kay

55 National Patrol Service Award
Shayne Clark

30 Long Service Award
Tony Van Den Enden

40 Year Training Service Award
Simon Kay

The club continues to upgrade patrolling equipment and this season we took delivery of a new IRB Thunder CAT II. At a cost of $15,500, it is a considerable but necessary investment which is made easier by obtaining funding through the Federal Government Beach Equipment Fund. Our next item on our list which will be available for the coming season is a new 3 seat CAN-AM buggy.This new bigger machine will make the movements of patients and equipment on and off the beach so much easier. We are lucky to be in a position where we have been able to secure this vehicle and members will no doubt relish the opportunity to use this new piece of equipment.

Club's Shed & Building works

The club completed the build of our new storage shed which will house our surf boats and IRB equipment. The old container has gone and the transformation of the compound with additional onsite car parking to be provided once concreting work has begun.

The new storage shed will house the clubs surf boat fleet as well as IRB and associated equipment. With the shed completed the club has disposed of the shipping container from the compound and will progress to concreting the area for additional onsite parking. The build had to overcome a few unforeseen planning hurdles which caused an increase in costs along the way. However, we were able to garnish support from many parties to cover these additional costs.

Club's Shed & Building works

Clifton Beach SLSC would like to acknowledge the following individuals and businesses.

Partners in the Project

Rogerson & Birch Surveyors
Concreting and shed erection by Whelan Contracting
Build Surveyors - HOLDFAST Building Surveyors
Building Designer - Darryn White Building Design and Consulting

Jo Newman

Once again, I thank you for the support that you have provided me over the season and look forward to rolling up again for another Summer on the beach as your Club Captain.

Simon Bailey
Club Captain

Lifesaving Report

Big thank you to everyone for all the time that you have volunteered patrolling the beach during the 2022-2023 season. Each and every one of you has contributed to public safety at our beach and it is important to acknowledge not only the time and dedication but also the importance of this role for the local community.

Through the course of the season members contributed to grand total of over two thousand volunteer hours. I would also like to acknowledge the following members for volunteering over fifty hours on the beach:

- Simon Bailey, Matthew Clingeleffer, Ciaran McDonald, Ned Reardon, Tony Van Den Enden and Iain Whyte

The club performed one board rescue during patrol hours, logged four first aid interventions and recorded over one hundred and thirty preventative actions – including two lost children – through the course of the season.

I'd also like to extend a big welcome to the new Bronze Medallion and Surf Rescue Certificate members and congratulate them on their first season on patrol.

A big thanks to you all again for your dedicated service and look forward to seeing you on the beach again soon.

Ciaran McDonald

Patrol Officer

Lifesaving & Trainings 22/23

Throughout the 2022/23 Season we have seen an incredible engagement in training and qualification acquisition across the board including our youth, parents, and even several new club members. One of our proudest moments was the delivery of our combined SRC and Bronze Course, which resulted in over 40 new qualifications. It was amazing to see such a large development of skills, knowledge and leadership progress amongst this group over such a short period of time. Over the season it was amazing to see these members shining in new roles on patrol, in competition and as water safety.

During the season and off-season, we have also seen numerous individuals work towards the attainment of the IRB Drivers and Crew Awards. There have also been opportunities for our members to improve these skills such as the state IRB weekend at Bicheno. This two day hands-on skills development weekend allowed individuals to refine their skills, work with others in varying conditions and learn from some of the best. Clifton Beach had a large representative of participants including Dan Reardon, Ned Reardon, Mary Clingeleffer, Matt Clingeleffer, Meisha Austin, Oliver Pooley, Theo Ives and Simon Bailey as participants, and Simon Kay as head mentor/leader of the weekend.

Lifesaving Development Camp 22/23

We have seen numerous members further their training and participate in development opportunities over the season. Some examples of our club members thriving through involvement in state opportunities this season include; participation in the 2023/23 Development Camp (Oenone Schofield as participant, Ned Reardon and Jenna Stacey on Management Team), Flood Water Rescue First Responder course (Lewis Mitchelmore, Ciaran MacDonald and Jenna Stacey) Trainer and Assessors Course (Ciaran Macdonald, Ned Reardon, Abbey Fairbrother) and Silver Medallion Patrol Captain course (Ciaran MacDonald, Simon Bailey, Luke Johnson and Anthony Chapman).

We would like to express a big thank you to all those who have participated in training and development this season and all parents for their support. And of course to the volunteers whose commitment and passion make these courses a possibility, including Simon Bailey, Simon Kay, Anthony Chapman, Ciaran MacDonald and Ned Reardon.

We are incredibly proud of the growth showcased in training and development over the last season. The drive showcased by members to continue their skill development, take all opportunities, and ultimately become the best members of the club and the wider community, is inspiring and we can't wait for the season ahead!

Membership Report

A summary of Clifton Beach membership details

Age category	Male	Female	Indeterminate	Total
Polar bears	24	26		50
Under 8	6	12		18
Under 9	15	0		15
Under 10	10	11		21
Under 11	7	10	1	18
Under 12	6	7		13
Under 13	5	4		9
Under 14	7	8		15
Under 15	0	7		7
Total	80	85	1	166

category	Male	Female		Total
Under 17	7	10		17
18+ (active)	38	18		56
Associate	57	67		124
Life member	14	1		15
Comm member	2	5		7
Total	118	101		192
Overall total	198	186	1	385

The club membership has had an increase of 35 members from 350 members in 2021/22 to 385 members in 2022/23.

Juanita Schofield

Membership Officer

Membership fees 23/24

Clifton Beach
Surf Life Saving Club

Memberships – New membership

year 1st October 2023 – 30th September 2024

NB members will not be able to compete or patrol without a current membership

Family membership	**$360**
Active seniors	**$165**
Cadets 15 - 17 years of age	**$130**
Nippers 7 - 14 years of age	**$125**
Polar Bears	**$90**
Associate Members	**$65**

Family memberships are up to 2 adults and 5 children

Note that any member under the age of 18 MUST have at least one parent or carer registered as a member

A child cannot be involved in a Nippers program until they turn 5 years old.

Age groups for all Surf Life Saving members are calculated by the current age as at midnight on September 30th of each year. For example, a child that is 9 years of age as of September 30th, will be categorised as an U10 Nipper for the coming season.

TICKET TO PLAY

Clifton Beach SLS Club is registered with ticket to play. This provides two vouchers up to $100 each towards club membership for children aged 5-18 years and listed on a Centrelink Health Care or Pensioner Concession Card or in Out of Home Care.

How to register - https://sls.com.au/join/
Follow this link to become a member or renew your membership
For further information please contact our membership officer, Juanita, on: membership@cliftonbeachslsc.com.au

Nippers Report

The 2022/2023 season was an exciting season to be a Nipper at the Clifton Beach SLSC. If not a Nipper it was just as fun being a parent of a Clifton Nipper. The season began with the two consecutive Sundays in November at the Clarence Pool where Age Managers put the kids through their swimming proficiencies. Big numbers turned up due to advertising in local schools and attractive Facebook posts. The following two Sundays the nippers scored some warm weather at Cremorne Beach where they then accomplished their open water proficiencies. The Cremorne Beach session was made even more special by Pato The Waffle Man serving up great coffee and waffles beachside. December the 4th saw us all head back to the Club house for our first Clifton Beach Session. The Canteen and BBQ was in full swing as a big crowd of nippers presented themselves that day. About 120 nippers were estimated on what we called The Open Day. By the time we arrived at Clifton our Age Managers were all fully assigned to each Age Group.

Clifton Beach SLSC Age Managers 2022/2023
Polar Bears Kate Pilkington & Clare Houston
Under 8's Rita & Oneone Schofield
Under 9's Millie Groom & Ella Holmes
Under 10's Phil De Boer
Under 11's Warwick Lovell
Under 12's Nathan Whelan
Under 13's Nicholas Benson
Under 14's Phil Evans

Nippers Report

By the time we arrived at Clifton kids were already attending training sessions on Wednesday morning at 6am and then our Friday night session and early Sunday morning board trainings commenced. The training sessions were conducted by Shayne Clarke, Warwick Lovell, Simon Pilkington, Phil Evans and Nicholas Benson with Kate Pilkington and Clare Houston taking the Polar Bears separately. We encouraged the younger ones to attend training sessions especially the Friday night with an emphasis on parents being involved in the water. As the season progressed we had a few Polar Bear families attending the clubs Friday Night Dinners.

The greatest asset for running the Nippers program this year was our goal to encourage as much parent involvement as possible. This was done by roping parents into achieving their Bronze Medallion qualifications or simply encouraging parents to 'wetsuit up' and get out in the water, especially in younger age groups, and assist their child by being an extra pair of eyes. On our Sunday sessions we managed to always achieve our water safety numbers especially when our Under 14s gained their water safety qualification. We then trained our Under 14's earlier on Sunday so they were available to provide water safety and coaching for the younger age groups. Many have approached me to do the same next year so that they can continue their involvement with the Nipper program; this I will strongly encourage!

Nippers Report

There were a few memorable occasions where we were graced with the presence of Surf Sports Royalty. An extra pop up Friday night session was taken by The Bevy Brothers. Both Joel and Matt chatted to the kids before taking them through their paces out in the waves. A great night was then had at the club afterwards with lots of locals joining in with food trucks and the bar having great success! We were also spoilt with the Hydrothon Girls coming to Clifton and running a Pop Up Clinic for our Nippers over an entire weekend. They clearly enjoy coming to Clifton and we love having them! Our special appearance from Santa was a major highlight when talking to the kids. Seeing the rescue reel in action was superb and a lot of fun! I thank Denise Kelly for her help in putting our Christmas Day display together.

Nippers Report

As for Surf Sports the club had good numbers of entries at the Surf Safari at Sandy Bay, with many nippers signing up for the board race. This was then followed on with the Surf Festival at Carlton Park at the end of November. Carnivals this year were held in Bridport, Burnie, Port Sorell and Clifton. The roll out of the Live Heats made for lots of extra excitement on the beach as parents and kids could follow the leader board as the day progressed. This in part may have assisted our scores as it possibly motivated the kids prior to their events. It certainly had same age managers and parents hooked:) On average we had 25-30 entries for the away Carnivals and then for our home carnival we had 63 Nippers sign up. This was due to lots of encouragement of the younger age groups to participate and they had a blast! We had some amazing parents that volunteered to be Officials at the Carnivals. With big numbers from our club requires extra officials and we received great feed back from Carnival organisers that we were well represented and I thanked Vanessa Copeland for organising the Officials for our club.

Nippers Report

As the momentum of the season progressed and after a strong overall win of our home carnival, the Clifton Nippers were pumped for State Titles being held in Penguin.

Over the 2 days of competition, the Clifton Nippers did a superb job at representing the club, displaying good sportsmanship and demonstrating what hard work and training can result in. The Clifton Nippers walked away with State Titles Championships for 2022/2023 Overall and on Handicap.

The success of the year comes as a result of a tremendous amount of volunteering hours from our dedicated club members who give their time to coach and mentor our kids. A committed team of nipper parents worked together to make sure information was sent out and communicated effectively to our members, as well as making the club a fun and safe environment for kids and their families. Our goal will always be to make lasting summer memories by promoting active healthy living for our children and positive friendships. This goal is the club's greatest achievement.

Juniors State Titles 22/23

The Junior States in Penguin saw an unbelievable effort from our young team. With a very small contingent of U8s and U9's, the team was faced with a huge challenge over the weekend. After the first day of events, and some 70 points behind, the team faced an uphill battle to challenge for the title. But, after a rejuvenating session on the Ulvertsone Waterslide, the Polar Bears came along on the second day ready to show their wares. Nervous managers and parents tuned in to Liveheats all day to see the gap between us and first place get smaller and smaller, and it took the final relays for Clifton to record their first Nipper States win in 23 years! There were too many stars on the weekend to mention, but the win was achieved mainly by our ability and desire to enter as many teams as possible. The added bonus was also the win in the Handicap Trophy, an indication that of the high performances of our athletes.

A huge thanks need to go to Jill for her management, Shayne for his coaching and mentoring and to all our age managers, parents and supporters.

CLIFTON BEACH SLSC @SANDYBAY 175TH REGATTA

NIPPER HOT TIP #1
PUT THE WEIGHT ON YOUR FRONT FOOT!

New Nippers Family 22/23

Austin Fletcher is one of our newer member joining our Cliffy family. We get very excited for each new family embarking on their journey in the surf life saving community . Though daunting at times, our team efforts in coming together to welcome and include our new members has significant impact in their experience as one of us.

"I've thoroughly enjoyed being a part of the Club and seeing how much the Under 9's have improved this year. Especially at the Clifton Carnival where they really dominated as a team and all of them having a solid effort, despite starting to run out of puff later in the day after so many events. The level of enthusiasm during that carnival was much higher this year - and the results showed.

The regular Sunday's have also been so enjoyable. Luckily the weather was with us most weekends so attendance was great. The kids skills have improved and their confidence in the water has risen as a result - we would love to see more surf skills training. What was even better was the number of parents getting in the water and helping out. It really does help the kids out, especially when you're giving instructions or trying to encourage them to try something new or swim/paddle a bit further. Often helping kids not your own tends to get better reactions (kids tend not to listen to their own parents so often, but will listen to someone else's!). The level of support from the Club from it's volunteers is consistently amazing as well - there's a lot to cover.

Bring on season 23/24.

Fletcher & Claire Austin
(Remy Austin - under 9).

Sending off our U14 .....Thank you Phil

22/23 Nippers Graduates! congratulations

The sleepover...
On the 17 th of September we had our U14 sleepover. We started the night by setting up our beds. Anthony and Simon then came over to talk about the opportunities that we have as U14s. They talked about us getting our SRCs, helping run fundraisers, and applying for Club Captain. My Dad and Jill then set up pizzas for us to make. The girls shared with each other, but I ate a whole pizza to myself. My favourite part was the night walk, except when I hurt my toe, it was bleeding everywhere. We kept scaring the girls and it was funny watching their reaction. After our night walk, we started playing music on the TV. Ollie and I did some amazing Tik Tok dances, and we had so much fun. Then we watched a movie, but I can't remember which one and no one else can either. After eating all the chocolate and lollies we had, some of the girls dozed off. But I can promise you that I never fell asleep the entire time! Then Sara, Freya, Ollie, and Charlie went down to watch the sunset. I definitely didn't sleep through it. In the morning we all went out for a board paddle with Shayne while Freya made waffles. When we got out of the water, we went up to the clubhouse to have breakfast. Then we chilled around until our parents picked us up. The sleepover was very important as it gave us U14s a chance to bond with each other as well as give our new teammate, Eva, a tour around the club. We are all very thankful to Anthony and Simon for sharing important information with us and Phil and Jill for staying the night with us.
-Joe

Junior Club Captains 22/23

The interview...

I can't remember the exact date that I went into the interview, but I was first at 8:00 before our Sunday nipper's session. I had sent in my application form a week before the interview, but I was still so nervous. I walked into the interview room and there was Anthony, Courtney, Eleanor, and Vanessa. I took a seat in front of them. They asked who I look up to, what I wish to do as Club Captain, things I've done that have required leadership qualities, awards that I have gotten and contributions I have made to the club and community. The interview is the hardest part of being Club Captain, so if you can ace the interview, you can ace becoming Club Captain. Looking back on the interview now I wish I didn't doubt myself as much. You get chosen for a reason, and you need to trust in that choice. The best piece of advice I can offer you is to just be yourself and articulate yourself well. The interview is a great experience for jobs when you are older. I know any of my fellow U14's would have done a fantastic job and I see a lot of excellent future Club Captains in our club. So, to all of the future U14s I hope you take the opportunity to interview for Club Captain and I wish you all the best of luck.

-Freya

Running warmups...

Running warmups is the best part of being club captain. Starting off the competition with some games and a stretch lets you see all the little kids that you once were. Keep your warmups simple and fun, little kids love it. They also love the simple game octopus so try not to mix it up too much. To share the jobs around each week one of us would do stretches and the other would do games. This was nice because we were able to experience what it's like to run both of these activities. We found that when kids didn't listen it made it super hard to run warm up. When this happened, we would finish doing stretches for the kids who were listening and then we would just run back instead of game. This only happened once, at the State Titles and it was just because they were all excited. Remember warm up is supposed to be fun!

-Joe

Junior Club Captains 22/23

To future club captains...

Being Club Captain was such an honour and there is so much advice I can give you. I will start with the most important, just be yourself.

Being yourself will make your life so much easier as you already know how to do that! Another piece of advice is everyone makes mistakes. I learned that when you've made a mistake you just own it, hold your head up high and act like you were supposed to do that.

The next big piece of advice is that it's all about having fun and being a good role model. Those young kids look up to you and can't wait to be an U14, I know I used to think that. The last piece of advice I can give you is don't be afraid to ask for help. There are so many adults who will help you. Asking for help isn't a sign of weakness but can be a sign of strength. Once you understand you just need to ask, you realise that no one is doing it alone, we are all part of a club that encourages and supports each other.

And with those few words of advice, I wish all of the future club captains the best of luck!

-Freya

Surf Boat Crew
2022/2023

The 2022/2023 season was off to a very impressive start with the marathons around the state. Highlights included the Masters Men completing the two Bass Strait events in challenging conditions – complete with a range of wildlife and entertaining attempts to get off the beach at Penguin - and capping it off by finally winning the Mercury Surf Safari after 20 years. The crew first across the line in the longstanding Hobart event was Anthony 'El Chapo' Chapman on sweep with Justin Febey, Matt Pooley, Ciaran McDonald and 'Big Tony' O'Grady rowing.

Also, our female crew made history by being the first ever all women's crew to row the gruelling 20km long course in the 50+ years that the event has been running. The history making crew was swept by Gabe Gossage with Gemma Wright, Katie Hook, Lyndall Johnson and Meisha Austin rowing. The women's crew is currently training hard to repeat their success at the Surf Safari and hit the northern endurance events prior to the start of the season.

The sprint season also saw us have a lot of fun in the surf both at carnivals and our early morning play sessions at the club. Key highlights include the women's crew putting in a dominant performance at the first Navy Series event in Carlton securing first place in the female event. Also the men's crew competed at Burnie, Carlton and Clifton and managed to break another sweep oar in the last round on our home beach....sometimes that's just the way it is! The boat team in the lifesaver relay at the State Championships also returned to the beach in second place helping to set Clifton up for their bronze in this event. For the record, Ciaran has still not forgiven Meisha for the stroke rate that she set!

The biggest highlight by far was taken out by Chappy by catching the wave of the day at the State Championships in Carlton and shifting the 'Crabbers' out of last place and into third for that round (picture in the centre below)...Good on ya Chappy!

On the home front we have a dedicated shed for the surfboats now and are hard at work undertaking maintenance on the boats and training hard ready for the endurance and sprint season in 2023/2024

Gab & Ciaran

Surf Boaties

Senior Surf Sports Team

The senior team started this year with a goal. We wanted Clifton to be the best, but more importantly, we were striving for Clifton to win the overall point score at the Senior State Titles.
We commenced with a strong winter of ski training, in the icy waters of Lauderdale, and the dark and winter breeze at Little Howrah Beach. Many Shoreline trips were required to make this worthwhile! It was then time for our annual training camp at Bicheno for team bonding and the start of board training. Then the Surf Safari took place.

Our focus over the past few years has been on team bonding. This included our team bush walk up kunanyi/Mount Wellington, school holiday Bicheno training and activities weekend, and our club NSW trip. Soon enough t was time to hit the beach; with carnivals at Bridport, Burnie, Port Sorell, Clifton and then state titles at Carlton. Winning the first carnival of the season by 98 points, then the second by 119 points, our team was feeling pretty happy and highly motivated with how they were performing.

On Day 1 of the State Titles, there was some pretty solid surf present and, with double ski events up straight away, we were feeling pumped. I could repeat for hours and hours the results of all our athletes, it was one after another. It was fabulous to see all the hard work and commitment that our athletes had put in for a number of months pay off and allow them all to achieve such standout individual and team performances. Everyone put the team performance as their priority, sometimes at the sacrifice of individual race performances. This win was certainly a team effort, and it was a memorable weekend to remember!

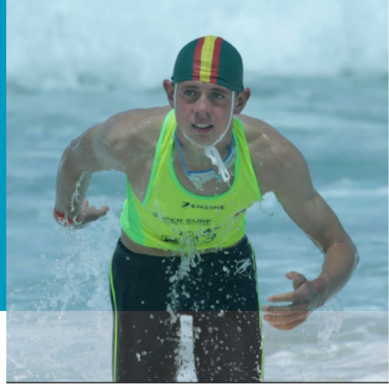
Some season highlights include:

- Second successful season of our winter development ski program
- 10 Athletes competed in the 12km surf safari race including: James Fullarton, Craig Fullarton, Angus O'Grady, Cate Clingeleffer, Shayne Clarke, Matthew Clingeleffer, Mary Clingeleffer, Maya Chapman, Nat Elischer and Oenone Schofield.
- 5 athletes competed in the 20km surf safari race including: Warwick Lovell, Dan Reardon, Graeme Van Galen, Courtney Beswick and Oliver Pooley.

Back in January 2023, the state team and youth pathway team were selected with several of our athletes making the team. This included:

- Cate Clingeleffer
- Mary Clingeleffer
- Anna Clingeleffer
- Maya Chapman
- Dan Reardon
- James Fullarton
- Laura Fullarton

Senior Surf Sports Team



James Fullarton was representing Tasmania in the Super Surf Teams League held at Maroubra Beach, NSW. James won the male surf race in Round 1 after lining up as the youngest competitor in the field. He caught a wave on the way back in to get to the beach first, much to the excitement of his Tassie teammates and club mates. This was a terrific individual performance by James Fullarton. Congratulations!
This team were then joined by Elsie Volant, Angus O Grady, Ollie Pooley, Alex Bishop, Warwick lovell and Courtney Beswick as we headed to Manly, where competition was unfortunately suspended due to a shark attacking a dolphin at a nearby beach. The following day we arrived at Freshwater Beach and the energy amongst our athletes was high. There were some outstanding performances by our athletes with some making finals. This included:

- Ollie Pooley and Dan Reardon winning the U19 Male Double Ski.
- Elsie Volant finishing 10th in the U15 Female Beach Flags
- Courtney Dowling and Warwick Lovell finishing 4th in the Open Mixed Double Ski, followed by Mary Clingeleffer and Dan Reardon in 6th .
- Courtney Dowling and Mary Clingeleffer finished 4th in the Open Women's Double Ski
- Oliver Pooley and Warwick Lovell finishing 6th in the Open Male Double Ski
- Cate Clingeleffer finished 4th in the Under 17 Female Ski
- James Fullarton proving he is more than just an outstanding swimmer, finishing 2nd in the U17 Male Ski and 6th in the U17 Male Surf Race.

Senior Surf Sports Team

Senior Surf Sports Team

A massive thank you to all parents for supporting our athletes to participate in these carnivals, and a huge thanks to Matt, Meegan, Barney and Sharon for all of their logistical work, trailer towing and organising to ensure our athletes were well equipped for this event.

Amongst a team with many strong competitors, it is difficult to highlight a few athlete performances. We would like to congratulate all our senior athletes for their individual and team performances throughout the season. Our surf sports award recipients from the 2022-2023 award season include:

Best Beach competitor- Oenone Schofield

- Winner of the Under 17 Beach Flags, who backed it up to finish 2nd in the Open Beach Flags. She finished 3rd in the Under 17 Beach Sprints and also 3rd in the Open Beach Sprint. Oenone was also part of the winning Under 17 and Open Female Beach Relay teams. She accumulated most number of points in beach events across the season

Best U15 – Elsie Volant

- 3rd in the U15 Iron State Titles, 4th in U15 Board at State Titles.

Best U17 – Cate Clingeleffer

- U17 Female Iron champion, U17 Surf race champion, U17 Board Final 2nd, U17 Single Ski 2nd, U17 Beach Sprint 2nd, U17 Female Double Ski 1st, U17 Mixed Double Ski 2nd, U17 Female Single Ski Relay 1st ,U17 Female Taplin 1st, U17 Female Board Rescue 1st, U17 Female Board Relay 1st, U17 Female Surf Teams 1st .Cate performed in all state-wide carnivals this season. Some achievements across all these carnivals include: - Winner of the U17 Surf Race and Ironwoman race at all senior carnivals throughout the season, placed 1st or 2nd in all under 17 Board races throughout the duration of the season.

Senior Surf Sports Team

Cate completed all under 17 water events at every carnival throughout the season (placing top 3 in all events she entered) and then backed this up to undertake all the Open water events too.

Best U19 – Dan Reardon

Dan completed 24 trips around the cans at State Titles in both Under 19 and Open events, with 17 medals obtained across both age groups. Dan is always in the leading pack at board/ iron training and is always being pushed by his Clifton teammates. His ski paddling has improved tremendously over recent years making him a force to be reckoned with across all disciplines.

Some season highlights include: 1 st Under 19 Single Ski at State Titles, 1st Under 19 Iron at State Titles, 1st in 6 out of the 7 under 19 Male team races in his age group at State Titles, 2nd in Under 19 Male Board Race at State Titles, 2nd in Under 19 Surf race at state titles, placed either first or second in the Open Male Surf Race at all carnivals throughout season.

Best Senior – Cate Clingeleffer

Cate competed in 30 events across the State Titles weekend in both Under 17s and Opens, and medalled in 28 of these. She won 17 gold – most gold medals by any athlete over the State Titles weekend. Her results included: - Binnie Wilson Shield recipient for Outstanding Competitor of the Tasmania state championships, Open Iron Person champion, Open Surf Race champion., Open Board Final 2nd , Open Female Single Ski 2nd, Open Female Beach Sprint Final 7th, Open Female Double Ski 2nd, Open Mixed Double Ski 4th, Open Female Single Ski Relay 1st, Open Female Taplin 1st, Open Female Board Relay 3rd, Open Female Surf Teams 1st, Open Mixed Life Saver Relay 3rd, Winner of the Open Ironperson at all carnivals bar 1, whereby she placed second; Finished 1st, 2nd or 3rd in every single individual event that she competed in, in the Open Female age category for the duration of the season; won the Open Surf race in 3/5 carnivals.

Senior Surf Sports Team

Coaches Award- Nat Elischer

The Coaches award recognises outstanding perseverance and commitment to team culture, training and competition. Nat competed in 25 events at the State Titles, gaining 18 medals. She always turns up to training with a smile on her face. Nat is eager and willing to help with trailor loading. She is always motivated, willing to have a crack and has become a crucial member of our team. She consistently performs well individually and a team player.

Golden Paddle Award - Courtney Beswick

Winner of the Open Female Single Ski title at state titles; winner of all Open Female Ski races throughout season; winner of the Open Female Double Ski at all Tasmanian carnivals during the season; 4th at Freshwater, NSW in the Open Female Double Ski; part of the winning Open Female Ski Relay team at State Titles.

Our Senior Surf Sports plans and goals for 2023/24 season are to:

Train and compete in individual and team events at the Coolangatta Gold 2023.

Retain athlete interest and enjoyment over an increased winter training season

Continue to progress and develop our beginner U17 ski paddlers

Undertake more sessions of coaching and mentoring for the nippers

Continue to undertake team bonding/ building activities

Ensure a smooth transition for new U15 age group members and ensure there is a smooth and supported transition process in place for U14 club members

Ensure all competition members are actively completing rostered patrols and ensuring this remains the priority for our members

Set achievable goals with all athletes to assist with individual improvement for the new season

Senior Surf Sports Team

On behalf of myself, my assistant coaching team (Warwick Lovell and Graeme Van Galen) and the senior surf sports committee (Matt Clingeleffer and Barney Reardon), we would like to thank CBSLSC for supporting and trusting me as a coach to support our senior team, continual support and encouragement towards our athletes and for fostering such great athletes during their nipper years. In addition to this, we would like to thank SLST for the running and officiating of carnivals which have allowed us to put all our hard training into practise.

Sponsorship

As the Sponsorship Coordinator for Clifton Beach Surf Lifesaving Club, I am pleased to present the annual report for 2023.

Our 2022/23 sponsors have played a crucial role in enabling us to deliver our lifesaving services, nippers and surf sports programs. Their financial support has allowed us to upgrade a variety of equipment and to get equipment to surf carnivals all around our state, as well as to interstate carnivals. In addition, they have provided support for our large Nippers program, ensuring that we are running our activities with enjoyment and great equipment.

Throughout the year, we have maintained a strong relationship with our sponsors, ensuring regular communication and recognition for their contribution. We have actively promoted our sponsors through various channels, including our website, social media platforms, and community events.

The support from Ride Bellerive, Safety Circle, Millingtons Funerals, Silver Spoon Tasmanian Ice Cream, Harbour Financial, and TT Lines has been invaluable. Their commitment to our club has made a significant impact on our ability to create a safer beach environment and promote water safety in our community.

Looking ahead, we are excited about the potential for further sponsorships and partnerships. We aim to expand our sponsor network and forge new relationships to support our future endeavors. We will continue to provide excellent visibility and recognition for our sponsors, ensuring a mutually beneficial partnership.

Discussions are progressing well with negotiations for some major new sponsors for the upcoming season.

I extend my heartfelt gratitude to our sponsors for their continued support to Clifton Beach Surf Lifesaving Club.

Craig Fullarton

Sponsorship Manager

CBSLSC official of the year nomomination 2023 - Vanessa Copeland

Congratulations to Vanessa Copeland for representing CBSLSC for the SLST Awards of Excellence for the 2nd year in 22/23 season! Vanessa is one of the active members of Clifton Beach SLSC. She is a valued nipper parent with 2 girls competing Statewide and at the Aussies. Vanessa always took pride and went the extra mile in her volunteering work. She held the official committee member role of Club Secretary from 2018 to 2021. She is often seen helping around the club on the uniforms and membership front as well. After handing over her Club Secretary role, she moved on to take on more certification via online accreditation & learning and started her pathway to serve as an official at Statewide carnivals. Besides being lured to officiating, she was our Transition Officer this season and was proudly serving as a mentor in Surf Life Saving Australia National Women's Mentoring Program 2021/22. She is very passionate about mentoring youth, coaching and official roles in Surf Sports.

This year I seized the opportunity and invited her to share with her volunteering journey and it may inspire members to join in to serve our communities in so many different pathways. She said YES and here is her side of her story on officiating:

When carnivals come around the beach takes on a higher level of anticipation and excitement as we all gather under our club tents preparing for the day's events. There are a select group of parents that have put their hands up for the early start and volunteered to make the carnivals run smoothly. These parents have volunteered as officials not knowing where or what they will be doing, but are giving up their time and sometimes missing seeing their own children compete, so junior and senior carnivals can go ahead.

I started officially officiating 2 years ago, and let's be honest, like most, the unknown can be intimidating, especially turning up to a room full of people you don't really know, to a position you know nothing about! And in my case a sport I know very little about. But what can I say, we have hands-down the most welcoming, supporting team of officials. There is no silly question, there are years of experience, the stories and the ability to expand your knowledge of the sport. All this from a group of people with a strong love and interest in surf sports and carnivals, who turn up carnival after carnival even if there is no one they are personally watching.
Until I had officially started officiating I was unaware of the requirement that each club had to supply one official for every 10 competitors. That did explain in my early days of officiating why I was constantly being asked where the rest of Clifton's officials were!
This year, with the help from Jill and Eleanor registering the children for carnivals, it gave parents the opportunity to put their hands up to help. It was great to see some new names and faces along with parents that have done it before.

Not only does officiating allow you to learn about the sport, it gives you a prime position on the beach to be able to watch your children compete. If you think this might be something of interest please reach out.

I want to say a massive thank you to the following parents who put their hands up on more than one occasion:

Tina and Sean O'Connor
Shona Fullarton
Barney Reardon
Juanita Schofield
Simon Bailey
Anthea Bishop
Bronwyn and Glen Holmes
Anna Beach
Nicole Davey
Roger Hare
Paul Gregg
Simon Pilkington

And not to mention the u15's:

Millie Groom
Elise Volant
Charlotte Beach
Ella Holme

Words can not express how grateful I am for you and the time you have devoted to helping run these carnivals.

Thank you

Vanessa Copeland

SLST Junior Lifesaver Award 2022/23

2023 SLST Awards of Excellence Nominees

The following members have been nominated by the Club for state awards which will be presented at the Surf Life Saving Tasmania Awards of Excellence on Saturday 19th August 2023.

Team of the Year - Open Male Surf Team

Club of the Year - Clifton Beach SLSC

Patrol Club of the Year - Clifton Beach SLSC

Athlete of the Year - Cate Clingeleffer

Coach of the Year - Courtney Beswick

The Management Committee
Clifton Beach Surf Life Saving Club Inc.
GPO Box 1491
Eastern Shore Delivery Centre, TAS 7018

Dear Committee Members

MATTERS ARISING FROM THE AUDIT OF CLIFTON BEACH SURF LIFE SAVING CLUB INC. FOR THE YEAR ENDED 30 APRIL 2023

We have recently completed our audit of Clifton Beach Surf Life Saving Club Inc. for the year ended 30 April 2023. In accordance with our normal practice, we set out below any matters concerning the company's internal control and accounting practices which came to our attention during our work in connection with the audit for the year ended 30 April 2023 and our recommendations for improvements.

You will appreciate that our normal audit procedures are designed primarily to enable us to form an opinion on the financial report as a whole and therefore do not necessarily bring to light at each audit all the weaknesses in internal control or accounting practice which a special investigation might do. The matters raised in this report are only those which came to our attention during the course of our audit and are not necessarily a comprehensive statement of all the weaknesses that exist or all improvements that might be made. Any recommendations for improvements should be assessed by you for their full commercial impact before they are implemented.

We advise that no matters have arisen during the audit to which we wish to draw the attention of the Committee.

We would like to take this opportunity to extend our appreciation to management of the Club for their assistance and co-operation during the course of our audit.

Yours sincerely

Clifton Beach Surf Life Saving Club
Notes to and Forming Part of the Accounts For the Year Ended 30 April 2023

Note 1: Significant Accounting Policies

The financial statements have been prepared on the basis that the association is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*. The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Australian Charities and Not-for-profits Commission Act 2012* and the significant accounting policies disclosed below, which the Office Holders has determined are appropriate to meet the needs of members. Such accounting policies are consistent with those of previous periods unless stated otherwise.

The financial statements have been prepared on a cash basis and are based on historical costs unless otherwise stated in the notes, Material accounting policies adopted in the preparation of these financials statements are presented below and have been consistently applied unless stated otherwise.

Significant Accounting Polices:

a) Property, Plant & Equipment

Plant & equipment are included at cost or, where indicated, at independent or owners valuation. All items of plant & equipment are depreciated over their useful lives commencing from the time the asset is held ready for use.

CLIFTON BEACH SURF LIFE SAVING CLUB INC.

COMMITTEE OF MANAGEMENT
For the year ended 30 April 2023

Club President	Anthony Chapman	president@cliftonbeachslsc.com.au

CLIFTON BEACH SURF LIFE SAVING CLUB INC

Statement by Members of the Committee

The Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee the financial report:

1. Presents a true and fair view of the financial position of the Clifton Beach Surf Life Saving Club Inc. as at 30 April 2023 and its performance for the year ended on that date.

2. At the date of this statement, there are reasonable grounds to believe that Clifton Beach Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

AUDITOR'S INDEPENDENCE DECLARATION TO CLIFTON BEACH SURF LIFESAVING CLUB INC.

I declare that, to the best of my knowledge and belief, during the year ended 30 April 2023 there have been no contraventions of:

(i)the auditor independence requirements as set out in the Australian Charities And Not-for-profits Commission Act 2012 in relation to the audit; and

(ii)any applicable code of professional conduct in relation to the audit.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF CLIFTON BEACH SURF LIFE SAVING CLUB INC.

Opinion

We have audited the special purpose financial report of Clifton Beach Surf Life Saving Club Inc. (the Entity), which comprises the assets and liabilities statement as at 30 April 2023, the income and expenditure statement for the year then ended and notes comprising a summary of significant accounting policies and other explanatory notes.

In our opinion, the accompanying financial report of Clifton Beach Surf Life Saving Club Inc. has been prepared in accordance with Division 60 of the Australian Charities and Not-for-Profits Commission Act 2012, including:

a) giving a true and fair view of the registered entity's financial position as at 30 April 2023, and of its financial performance for the year ended on that date; and

b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis for Opinion

As is common for organisations of this type, it is not practicable for Clifton Beach Surf Life Saving Club Inc. to maintain an effective system of internal control over fundraising and cash receipts until their initial entry into the accounting records. Accordingly, our audit in relation to fundraising and cash receipts was limited to the amounts recorded.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The special purpose financial report has been prepared for the purpose of fulfilling the Committee's financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Report

The Committee of the registered entity is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the members. The Committee's responsibility also includes such internal control as the Committee determines is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the registered entities ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.
